APPEARANCES

Often a person is sized up by his appearance; by the tone that surrounds him. And more often a business house is sized up by the stationary it uses. A cheap letter head or a poor bill head gives a mighty poor first impression and makes business harder to transact. Good printing costs no more than poor printing. The first impression is half the battle in business. You wouldn't employ a "sloppy" salesman; why put up with "sloppy" stationery, that gives a wrong impression of the importance of your business. Let us do your printing and help you to make that ten strike.

BASEBALL GAME WON BY WARRENTON—PRESBYTERIAN SUNDAY SCHOOL SERVICES AT MORRISON.

WARRENTON, Ore., May 6.—At noon Sunday there was unusual excitement around the local depot, an exceedingly large party, had gathered there awaiting the arrival of the train that would convey its members to Morrison. In addition to the teachers and scholars of the Presbyterian Sunday School, were many residents who desired to enjoy the pleasant afternoon's services promised them by the Rev. Howard. On arriving at Morrison the visitors were made welcome and were all invited to partake of a lunch which had been prepared for them. After satisfying the inner self several strolled around the outlying district, returning with an assortment of wild flowers gathered on their ramble. When the service commenced the old chapel was filled to its utmost capacity, many having to linger outside through lack of space. Rev. Ferguson, of Portland, made the opening address. Members of the Warrenton church choir assisted the local talent in the singing and Mrs. J. Cobb accompanied them on the organ. The program was bright and interesting, including a most pathetic recitation by Mr. Dill of Astoria, entitled, "The Old Wife's Kiss," a quartet by four young ladies of the visiting Sunday school and a solo by Mrs. J. Cobb. It was arranged to inaugurate a Sunday school to be held in the building in which the service was being held. Mr. John Arnold was then unanimously elected superintendent for the forthcoming term. At the close of the meeting everyone was feasted with ice cream and cake. All present were delighted over the afternoon's proceedings. The collection amounted to \$18. This money will be used to improve the condition of the local cemetery.

Over 60 persons responded to the invitation of Mr. and Mrs. Charles Dow to the party and dance given by them in the town hall at Skipanon, last Saturday evening. The guests enjoyed an excellent time and were profuse in their praise of the excellent management of the host and hostess.

A large congregation assembled at the Presbyterian church service held in Warren's Hall last evening. The sermon was delivered by the Rev. Ferguson, of Portland.

Having completed the erection of the new bunk house, the Old Oregon mills will now commence running the entire plant again.

The Warrenton baseball club won their third game this season last Sunday. The Seaside nine came here to fulfill their engagement with our boys in the new league contest. Moore, of Warrenton, made two two-base hits, each of which drew a rousing applause from the spectators. At the end of the sixth inning the score stood 11 to 1 in favor of the home club, this fact caused its players to take matters rather easy and Seaside managed to get in six home runs. However, the victors were by far the superior team and deserved the game. H. McDermott and W. Ashley were absent from the Warrenton nine; A. Hale and C. Burton acted as substitutes. Final score, Warrenton, 12; Seaside, 7; umpire, Mr. Burrows.

Disturbed the Congregation.

The person who disturbed the congregation last Sunday by continually coughing is requested to buy a bottle of Foley's Honey and Tar. T. F. Laurin, Owl Drug Store.

IN THE SPRINGTIME.

This following simple prescription, which anyone can prepare at home, is said to restore the kidneys to perfect health, forcing them to filter all poisons and acids from the blood, overcoming Rheumatism, even in its worst form.

Any good druggist can supply these ingredients: Fluid Extract Dandelion one-half ounce, Compound Kargon one ounce, Compound Syrup Sarsaparilla three ounces. Shake these well in a bottle, and take a teaspoonful dose after each meal and at bedtime.

Your physician will tell you there is no better or safer mixture known to cleanse the blood and build it up, which everyone should do at this time of year. Readers of this paper can make no mistake by following this simple though valuable advice.

Doan's Kidney Pills make well
Kidneys.

Mrs. A. S. Cummings, of 244 Clackamas street, Portland, Ore., says: "Kidney complaint and backache clung to me for a long time and often I suffered very severe attacks of it. Sometimes it was a dull heavy aching over the kidneys, and again sharp acute pain in the small of the back. The kidney secretions passed too frequently and often with pain. I had tried several remedies with poor results and was finally induced to use Doan's Kidney Pills. They helped me very quickly and continuing I soon found relief from the aches and pains. The action of the kidney secretions was also strengthened to a great extent. I recommended Doan's Kidney Pills in our papers three years ago. I am always pleased to say a good word for this remedy and am glad of this opportunity to confirm my former testimony."
